SILENT SHREDDER GELUIDSARME HAKSELAAR BROYEUR DE VÉGÉTAUX SILENCIEUX LEISEHÄCKSLER TRITURADORA JARDÍN SILENCIOSA

Chopping branches without noise hindrance? It is possible with this silent Powerplus shredder. The device is equipped with a powerful, maintenance-free 2800W induction engine, to effortlessly shred branches up to a diameter of 45mm. The included push stick guides the loppings safely to the cutting roller. The shredder pulls the branches in slowly and quietly and crushes them to the optimal size to collect them afterwards in the large 60 litre container. In other words: cleaning up the shredded material works very efficiently.

In addition, the shredder has a reverse switch, allowing to easily bring back a stuck branch. You can also adjust the blades according to the wood thickness. Thanks to the overload protection, you can be sure your device won't be overloaded. Finally, the two wheels and handle allow you to easily move the Powerplus shredder.

TECHNICAL SPECIFICATIONS POWXG6462		Features	Box content	Symbols
Rated voltage - frequency	230-240V~ 50Hz	<ul style="list-style-type: none">• Low noise• Large cutting diameter• Drum / worm gear cutting system• Overload protector• Robust undercarriage with wheels• Practical transport handle	1x silent shredder / 4x washer
